**VETERANS CREDITS:** As no credit may be granted after the establishment of the eligible list, it is important that any applicants claiming additional veterans credits notify our office of your intention to apply for veteran's credits at the time of examination application, or at any time between the dates of the application but prior to the date of the establishment of the resulting eligible list. In order to be granted additional credit, a veteran must first obtain a minimum passing score on the examination. Disabled veterans are entitled to receive an additional 10 points on an open-competitive examination or an additional 5 points on a promotion examination. Non-disabled veterans are entitled to 5 points on an open-competitive examination and 2.5 points on a promotional examination. In order to be eligible for credits as a disabled veteran, the candidate must be certified by the Department of Veterans Affairs as having a service connected disability rated at 10% or more, which was incurred during a time of war. Points are added to earned scores provided they have not been used to secure permanent appointment or promotion previously. Effective January 1, 1998, the State Constitution was amended to permit a candidate currently in the armed forces to apply for and be conditionally granted veteran's credit in examinations. Any candidate who applies for such credit must provide proof of military status to receive the conditional credit. It is the responsibility of the candidate to provide appropriate documentary proof indicating that the service was in time of war, as defined in Section 85 of Civil Service Law, and that the candidate received an honorable discharge or was released under honorable conditions in order to be certified at a score including veteran's credits. For more information on applying for or using veterans credits, or for a copy of the application to use veteran's credits, please contact our office at (518) 853-8368.

**FILING OF EXAMINATION APPLICATIONS BY MILITARY PERSONNEL/MILITARY MEMBERS:** Individuals serving on active duty in the armed forces during the filing

period for a civil service examination, or individuals who have been discharged with other than a dishonorable discharge after the filing period for an examination has commenced, must be permitted to file for the examination no later than ten business days before the scheduled date of the examination or the last filing date, whichever is later. If qualified, the person must be provided an opportunity to compete in the examination under terms and conditions deemed appropriate by either the State or Municipal Commission. It may be necessary to schedule the examination for a candidate whose application is approved, on a different, later test date, due to a shortage of test materials or vacancies in a testing schedule. In order for a make-up exam to be administered, the eligible list resulting from the original examination holding would still have to be in existence. Persons eligible for military make-up do not have to wait until discharge from active duty to take the test. Completing the exam at the earliest possible opportunity is advisable. The applicant must make full disclosure in writing of ALL New York State and Municipal Civil Service examinations for which a military make-up exam is being or will be requested. The applicant must be able to sign the Alternate Test Date Affirmation. The applicant must submit to this office, a copy of a military order, DD214 or other official military document that substantiates the applicant's active military service at the time of the examination and any subsequent service. Candidates must request a make-up exam no later than 60 days after release from active duty.

**EMERGENCIES:** If an emergency prevents you from appearing for the examination, please notify this office no later than 9:00 AM on the Monday following the test date (Tuesday, if Monday is a holiday), providing verifiable documentation of the reason.

**ELIGIBLE LISTS:** Appointments from an eligible list must be made from the top three candidates willing to accept appointment. The duration of an eligible list may be fixed for a minimum period of one year up to a maximum period of 4 years.

**ADDRESS CHANGE:** Failure to notify this office of a change of address may result in disqualification for examination or certification for appointment following examination. No attempt will be made to locate candidates who have moved.

**ALTERNATE TEST DATE POLICY:** Because considerable planning, preparation and expense goes into each examination scheduled by the Personnel Officer, it is expected that candidates exert every effort to appear on the announced examination dates. On occasion, candidates may have to sacrifice personal commitments to pursue their career goals. On the other hand, the Personnel Officer must also be able to respond to legitimate needs when candidates find that significant personal events preclude their taking written examination when scheduled. The Personnel Officer has determined the following reasons may warrant granting an alternate test date: A death in the immediate family or household within the week preceding the examination; Military commitment; Being a member of a traditional, religious or civil ceremonial party, such as a wedding baptism, bar mitzvah or a member of the immediate family or household of the individual for whom the ceremony is being held; Having a conflicting professional or educational examination. Professional examinations would include those for CPA, ACSW, and the Bar Educational examinations would include SAT, College Boards and Graduate Records; Vacations for which non-refundable down payments were made

before the examination announcement was issued; Required court appearances; Medical emergencies involving a hospital confinement or certification from a physician that the candidate is unable to appear for the examination due to a specific medical problem of the candidate or member of the immediate family or household; Emergency weather condition, verified by the local public safety agency, that lead to the closing of specific roads, highways or independent transportation services which prevent a candidate from reaching the test center. Other reasons may be considered on a case-by-case basis.

**PROCEDURES FOR REQUESTING ALTERNATE TEST DATE:** For situations known prior to when the examination is scheduled for administration, the candidate should notify the Montgomery County Personnel office in writing as soon as possible before the test date. The request should contain a complete explanation of the reason the candidate cannot take the examination as scheduled and be supported by appropriate documents, if available. For emergency situations, the candidate must notify this office no later than Monday (Tuesday if Monday is a holiday) following the Saturday scheduled test date.

**LIMITATIONS IN APPLYING ALTERNATE TEST DATE POLICY:** Written examinations will not be administered prior to the scheduled date. Alternate test dates generally will be granted no later than the Saturday following the scheduled examination. Taking two civil service tests on the same day is not a basis for an alternate test date for one, as long as both are provided by the New York State Department of Civil Service. Alternate test date candidates must affirm in writing that they have not discussed the examination content with any individual. If the affirmation proves untrue, disqualification will follow.

**THE COUNTY OF MONTGOMERY DOES NOT DISCRIMINATE ON THE BASIS OF AGE, RACE, COLOR, RELIGION, GENDER, CREED, NATIONAL ORIGIN, PHYSICAL OR MENTAL DISABILITY, MARITAL STATUS, VETERANS STATUS, DISABLED VETERANS STATUS, OR STATUS AS A MEMBER OF ANY OTHER PROTECTED GROUP OR ACTIVITY IN ALL ASPECTS OF EMPLOYMENT.**
