

MONTGOMERY COUNTY EMPLOYMENT OPPORTUNITIES

SENIOR ENGINEERING TECHNICIAN -PROVISIONAL

SALARY: \$40,871

DEPARTMENT: PUBLIC WORKS

LAST FILE DATE: 03/01/2023

DISTINGUISHING FEATURES OF THE CLASS: An employee of this class is required to handle engineering assignments of a semi-professional nature. Assignments may include supervision of field parties and the inspection of construction work and materials. Assignments may be received orally or in writing, and may be of a general nature, thus allowing the use of independent judgment in choosing the method for accomplishing the work. Supervision is usually exercised over Engineering Technicians and temporary duty personnel. This class is distinguished from that of Engineering Technician by virtue of the higher technical skills and supervisory responsibilities. The incumbent performs duties in other related fields.

RESIDENCY REQUIREMENT: Applicants must be a legal resident of Montgomery County or a Contiguous County. Please provide a copy of your driver's license (front and back) for proof of residency.

MINIMUM QUALIFICATIONS:

- A. Graduation from a regionally accredited or New York State registered community College or technical institute with an Associate Degree in engineering science, civil or architectural engineering technology;
- B. Graduation from high school and two (2) years of experience assisting in engineering work;
- C. An equivalent combination of experience and training as defined in A and B.

SPECIAL REQUIREMENTS FOR ACCEPTANCE OF APPLICATIONS: Possession of a New York State Driver's License at time of application and maintained throughout the course of employment.

****Provisional appointment pending the successful completion of the civil service exam and being reachable on the resulting list****

Applications are available online at: www.co.montgomery.ny.us. Completed applications must be received by the last file date.
